

Periodic Reporting

Up to date information on your business is essential.

To assist in better managing your business and in response to changing business conditions, we encourage our clients to consider the following.

Your accounting information can be processed on a regular basis during the year, coinciding with GST return periods.

By utilising such facilities as "Banklink" we can improve turn around time dramatically and provide you with timely information.

Benefits

- Regular reporting of profit and cash flows for management purposes.
- Better management of taxation payments.
- GST returns prepared as a by-product.
- Year end accounts **drafted** within two months of year end.
- Spreads the cost of accounting services.
- Capturing data information early when it is 'fresh' in your mind.

Options

- Code your own transactions.
- Budget preparation.
- Reporting in comparison to budget.
- Cash Flow monitoring.
- Review of funding options.
- Flexible reporting to suit your individual requirements.

Cost

Cost is dependent on the standard of records provided, but in many cases there is little additional cost over the normal annual accounting fee.

We are happy to provide a free, no obligation independent assessment of your personal and business taxation obligations.

For further details contact any of the partners or www.mcp.co.nz.
